CSIR-NIScPR Distinguished Lecture Series

03 December 2025 | 3 PM

ABOUT THE SPEAKER

RS Mani is a graduate engineer from BITS Pilani and a government professional with over 39 years of experience in technology design, implementation, and leadership within India's public sector. Starting his career in 1986 under the Electronics Commission and UNDP microprocessor initiatives, he has led and contributed to critical national projects driving the Digital India vision.

He has risen from programmer roles to senior leadership as Deputy Director General and currently serves as a Distinguished Scientist responsible for ICT across all CSIR laboratories in India. His career is marked by a passion for people and technology, continuous skill enhancement, and delivering large-scale impact for government digital infrastructure.

Shri R.S. Mani
